Transfer/Affiliation of Membership

A Fraternity brother cannot be a registered brother of more than one chapter at the same time, and membership in the Fraternity does not include the right of automatic transfer to, or registration and privileges at, another chapter. However, any brother in good standing with one chapter of the Fraternity may either affiliate temporarily with, or transfer permanently to, another chapter, upon the consent of both chapters. The privilege of affiliating with or transferring to another chapter may be enjoyed by a brother of an inactive chapter, in which case the Grand Chapter shall grant the approval required from the inactive chapter.

- a) Affiliation: A chapter accepting a brother for temporary affiliation, shall do so and extend full chapter privileges, only after the brother has obtained from his original chapter a letter certifying that he is in good standing.
- b) Transfer: Permanent transfer of a brother from one chapter to another, shall be upon written request of the brother on forms furnished by the Grand Chapter and shall be official and registered only after approval by the original chapter and due to election to membership in the chapter to which transfer is to be made.
