

# SIGMA PI UNIVERSITY

Sigma Pi University: Tony Siress Career & Educational Institute will take place July 13-15, 2017, at Middle Tennessee State University in Murfreesboro, TN. SPU is a conference that will be unlike any other that you have encountered or will encounter in your collegiate career or at another fraternity related conference. During the two and a half days of SPU, you will attend a variety of sessions related to personal and professional development and have the ability to have further discussions and networking opportunities within a small group setting.
