### Handling the Press:

The Executive Office is the primary point of contact regarding all media inquiries directed toward Sigma Pi Fraternity, and the Executive Director serves as the spokesperson for the Fraternity. If the media should contact the chapter/colony, the following statement should be shared:

*At this time, any inquiries can be directed to our Executive Director Jonathan Frost at [jfrost@sigmapi.org](mailto:jfrost@sigmapi.org). Thank you.*

Here are a few suggestions to keep in mind:

- Be courteous to any reporter who contacts you.
- Share the Executive Office contact information with him or her: [communications@sigmapi.org](mailto:communications@sigmapi.org).
- Avoid wearing Sigma Pi letters during the next few weeks of media scrutiny.
- Please email your Chapter Management Associate regarding any media inquiry. Try to determine the reporter's name and news outlet if possible.
- Refrain from commenting/posting on social media about the situation.
